THE NEW AMERICAN THEATRE (NAT) is a creative, artist-helmed theatre company. NAT seeks to inspire, educate and nurture artists and our community towards a thoughtful and humane world view through the art of story-telling. We help young theatre artists find their voices, cultivate social consciousness and prepare for a lasting career. We support new and established playwrights and incubate new plays. We seek to make a lasting, life-long impression on our community – inspiring the audience to continue provocative conversations long after the curtain closes.
